

I would not like to see K-LOVE radio station replaced by a new LPFM station. I have every radio in my possession tuned to K-LOVE because K-LOVE gives positive reassurance to my day each time I listen. I am a youth leader at my church and all the young people listen to K-LOVE because of the music that entertains as well as teaches. I believe the service provided by K-LOVE is in the public interest because we need more positives in all our lives. Please do NOT replace K-LOVE with a new station. Thank you for listening to me.
